September Meeting

This will be on Monday 26th September when there will be a talk on Sea Angler Safety from the RNLI Respect the Water Team. There will be tips and advice and also a goody bag for every member attending. Too many shore anglers drown each year and we don't want you to be one of them.

Colm Plunkett was washed off rocks but survived because he was wearing a lifejacket. Come and listen to him on video.

MBAS Annual Festival

After a great month of fishing, the Presentation Evening last Saturday was a great end to the event. The burgers were very tasty and there were a lot of prizes. William and Benji sold over £130.00 of raffle tickets. See the photos on the Society's web site.

This will be held on Sunday 18th September and is the Junior/Senior Competition. Fishing starts at 15.00 until 19.00. Let me know if you require a rod and reel etc. I will bring lifejackets for all juniors fishing from the rocks, let me know if you require a life jacket.

RNLI Fish Lunch

We have booked the Lescudjack Centre, Penmere Close, Penzance TR18 3PE, for Saturday 15th October. We will show juniors how to fillet, prepare and cook a variety of fish dishes.

We will be serving lunches from 12.00 and a fish dish will cost adults £5.00 and juniors £2.50 (provided they have helped). Proceeds will go to the RNLI, so let me know if you want to cook or just eat and start selling tickets. Get tickets from John Brooks and let me know if you want to help.

We have already had some very generous offers of fish to cook and also vegetables.

October Trick or Treat Meeting

This will be on Monday 31st October and will be an evening of games and quizzes with prizes including fancy dress if you wish. Bring a Halloween fish lantern or MAKE a Halloween costume based on fish or fishing.
